### Mau Leads Stingers

Ottawa native Steve Mau lead the Concordia University Stingers to two important victories in the Quebec University Athletic Association play last week. The 6'8" centre pumped in 16 points and had 19 rebounds as the Stingers downed rival McGill 74-72 in a battle for first place at Concordia. Then in Lennoxville Mau had 17 points and 15 rebounds as the Stingers crushed the last place Bishop's University Gaiters 75-55 to retain their 1½ game lead over McGill.

For his outstanding performance Mau was selected as the Quebec University Athlete of the Week for the week of January 28th.

Mau and the Stingers are just 3 wins away from clinching first place in the Quebec conference and earning a spot in a C.I.A.U. regional tournament.

Concordia will be at home this Friday evening (February 15) at 8:30 p.m. when the Bishop's Gaiters will visit the Concordia Athletic Complex.
